A Catholic Economist’s Thoughts on Virtue and Intellectual Life

April 11, 2010
What virtues can we offer the world?

• Focus on our “comparative advantage”
  1. Faith
  2. Hope
  3. Charity

• These are the virtues at the core of Catholicism

• These virtues are Good News for the world, and we should try to boldly live them out
Faith
Faith

• In what ideas should we put our faith?
Faith

• In what ideas should we put our faith?
  – Christian doctrine and morals (good Faith)
Faith

• In what ideas should we put our faith?
  – Christian doctrine and morals (good Faith)
  – Well-reasoned and well-tested theory; properly measured empirical realities (i.e., good reason)
Faith

• In what ideas should we put our faith?
  – Christian doctrine and morals (good Faith)
  – Well-reasoned and well-tested theory; properly measured empirical realities (i.e., good reason)

• In what ideas should we be doubtful?
Faith

• In what ideas should we put our faith?
  – Christian doctrine and morals (good Faith)
  – Well-reasoned and well-tested theory; properly measured empirical realities (i.e., good reason)

• In what ideas should we be doubtful?
  – Our personal applications or interpretations of theories, doctrines, morals, empirics
Faith
